Enjoy Value-Added Benefits You Won't Get Anywhere Else!

Moving involves hard work and a lot of decisions. What to take, what to store, what to toss? While moving into a new home, especially one that you love — is great, moving can be stressful.

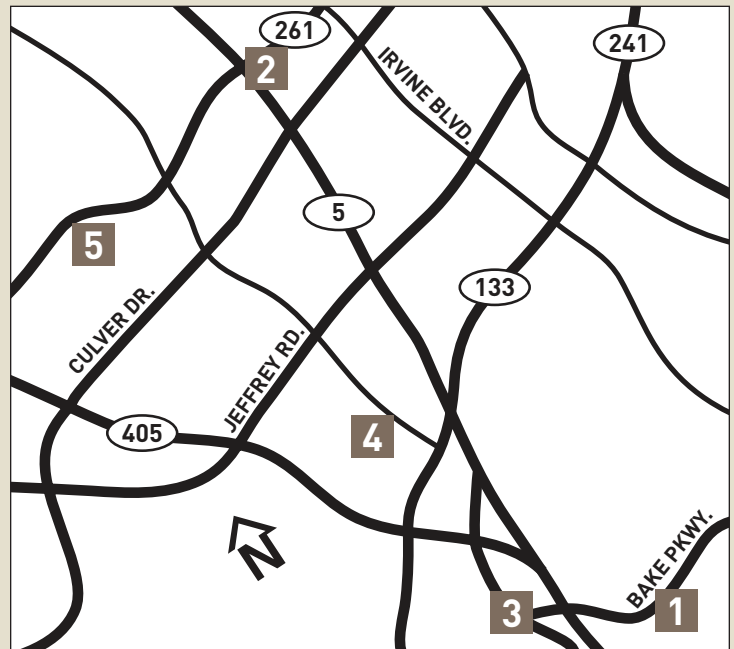

To make moving into an Irvine Company Apartment Community a little easier, we're offering you 2 months of storage free at select Mini U Storage locations. Plus take 20% off the monthly storage rent. And, when you renew your apartment lease with us, you'll receive another free month of storage from Mini U Storage.

So if you're just not ready to let go of that chest full of childhood memories, holiday decorations or box full of skinny clothes, now you don't have to. Welcome Home.
